

The Unagi Carry Satchel

You've got the nicest portable electric ride with a killer paint job. Now you can protect your Unagi the way it deserves. Please meet the Carry Satchel. We spent months sweating over the small details to make this bag live up to the scooter itself. It screams luxury! With a proprietary quilted waxed-cotton canvas for maximum protection, absolute best YKK zipper, and hypalon bottom (the material created for ultra-durable kodiak style inflatable boats). Unagi embossed leather logo to let the world know you mean business. Whether you're taking your Unagi in the car, or just want to keep it protected in your home, there's no better solution.
